Corporation Board and EIAAA Update

Greetings Brothers! The University of Iowa Football season has kicked off with a rain delayed football game against Tennessee Tech. The Hawkeyes prevailed once the torrential downpour, and lightning, subsided. This week the black and gold players head to Jack Trice Stadium to take on the Iowa State Cyclones in the much anticipated in state rivalry game. The game we would like to draw your attention to is Iowa vs. Indiana on Saturday October 22nd. This is the Homecoming football game for the Iowa Hawkeyes.

In years past we've attempted to host a Hog Roast, but due to the spread out nature of tailgating at the University of Iowa, we have had to give up on this event. However, we know many Brothers will be

back in Iowa City for the game and may be looking to meet up with fellow Acacians. So we would like to announce that on Friday night the place to be is Joe's Place located on Iowa Avenue. On Saturday, during and after the game, the place to be is the Airliner located on Clinton Street. Hope to see some of you that weekend.

Facilities Update

The Acacia Corporation Board has decided to postpone the chapter house rewiring project until next year. We are proceeding with plans to remodel the first floor bedroom and bathroom to create a house director suite. Current plans for the house director suite include removing the wall between the bedroom and kitchen storage room to create a larger space, replacing two windows, and insulating the exterior wall. We are also remodeling the second floor main bathroom by renovating the sink area, installing new stall partitions, and updating the wiring. In addition, we are replacing a couple basement windows and the exterior basement door.

We are in the process of comparing estimates from two contractors for these projects (a third contractor had to withdrawal from the bidding process due to other commitments). Greg Buehner of Pi Kappa Phi Properties is representing our tenants and assisting the Corp Board with the bidding and remodeling processes. We hope to select a contractor for these projects before the end of the month with plans for construction to begin next month and completed by the end of the year.

Please let us know what is going on in your life and use us as a means to get back in touch with your Brothers from the days in which you lived in the chapter house.)
